

Photos tell your story - and help you win!

Use the below tips to submit great photos and photo captions to the Make More Happen™ Awards or Change Agents™

Photo tips:

- Submit your original photo in the highest resolution, at least 300KB. We cannot accept a screenshot, a photo of a photo or photos saved from social media.
- Capture people from your agency and the nonprofit in the moment — we love an action shot!
- Make sure the photo is in-focus and not blurry.
- Photos in landscape orientation are preferred.
- No need to add text, emojis or photo app filters to the original photo. You're enough!

Caption tips:

- Describe what is happening in the photo and how it relates to your Make More Happen application or Change Agents theme.
- Give a short history of involvement with the nonprofit and describe the impact you're making in the photo.
- Include the names and affiliated organizations of people depicted.
